Actual Cash Value: _____

In the event of a total loss, this coverage pays the lesser of the actual cash value at the time of loss less deductible or the market value you provided for the watercraft. Actual cash value is determined by the market value, age, and condition of the watercraft at the time of the loss. Disappearing deductibles are optional with actual cash value.

Agreed Value: _____

In the event of a total loss, this coverage pays the agreed value shown on the declarations page regardless of the actual cash value at the time of loss. All losses, whether partial or total, are subject to the applicable deductible. Agreed value is not available on PWC's.

Total Loss Replacement: _____

Available on previously untitled boats up to one (1) model year old. In the event of a total loss, this coverage replaces the insured boat with a new boat, to the extent possible, the same make, class, size, type, and which contains comparable equipment. All losses, whether partial or total, are subject to the applicable deductible. Total loss replacement is not available on PWC's.
